

Huey's Amusements

EST. 1968

Catalog 2025

This beautiful Ferris Wheel was fully restored and has made appearances at many of our events. This ride features 10 seats and is perfect for carnivals and fairs.

This Rolo-Airplane is a one of our larger rides, and is a great addition to any fair or carnival . Great for those older kids and adults who seek thrill rides. Plus its height is sure to catch eyes from patrons.

RIDES

Our Merry go round/Carousel is a timeless classic, enjoyed by patrons of all ages. This particular model also features 2 chariots for those who do not or cannot ride the horses.

We have two versions of a swing ride available. This particular swing ride is our larger swing ride that features two rows of swings, so that more patrons can ride at once. It is built for those around 12 and older.

RIDES

Just added the summer of 2023 the Mardi Gra Merry Mixer is the latest ride to join the Huey's Amusements lineup. Featuring 16 cars this ride can move large amounts of patrons for endless fun, and patrons only have to 8 years old and older to ride if they also meet the height requirements from the Department of Ride Safety. Additionally for 2025 it is being refurbished and repainted. Photos to come soon.

The kiddie Elephant ride is a classic ride built for small children as a “first ride” Featuring an elephant theme as a nod to the cast iron elephants that used to adorn the seats. This small ride is a mighty hit for those too small to ride the bigger rides.

RIDES

The El Paso kiddie train ride is a hit for small children and their parents and guardians. this ride features an oval track, bell in the engine seat, and newly painted train cars are being added for 2025.

The kiddie swing ride is a smaller version of our bigger kiddie swing designed for those who are too small to ride the bigger one. It features 1 row of seats and goes at a comfortable speed that is both fun and not scary for younger kids.

RIDES

The Castle Mania is a fun house obstacle course that features, punching bags, tunnel, ball pit, climbing ladder, bridge and slide. Some updates are being planned for this ride for the 2025 season so stay tuned for those!

Bounce Houses/Inflates

We currently have two bounce houses one small one big to allow for various sizes of patrons to bounce, as well as a Inflate obstacle course with slide that is built for patrons of all ages. We here at Huey's are currently looking into adding more options of bounce houses/inflates for the near future.

GAMES

In terms of games here at Huey's Amusements we have several that we own and operate. Additionally, we work with reputable 3rd party game owners to provide additional games depending of the size of the event and demand.

FOOD

When it comes to food Huey's Amusements has a variety of Food Trailers to meet your event needs. From grab joints, to funnel cakes we have a bit of everything. We also work closely for with Trish's Treats to provide edible cookie dough and hard scoop ice cream for certain events.
